BOOK WEEK - 4TH-8TH MAY

WELCOME

Wow! What a fantastic Book Week we are having. The fancy dress efforts of the whole school were certainly a vision to behold. There were spidermen, Minecraft guys, fairies and even Robin Hood and Willy Wonker made an appearance. A huge congratulations to all students who put in a magnificent effort. To the right Chloe and Ella from Te Tipu.

A warm welcome to Tama who has started school for the first time this week.

A big congratulations to Pā Ronald and Janie who have had their baby. Aaliah Mavis Revell Nolan arrived at 2:50am on Saturday. Pā will be away on paternal leave for a few weeks.

BOARD

The Board of Trustees met last night and reviewed our upcoming building projects and also the achievement of our students. This Friday four of our main building projects will be put out publicly for registrations of interest. This is a great step towards getting some building work underway. For those new to our school the four main projects are - the complete upgrade of Rooms 1-4; the creation of a new library in the multipurpose building, an upgrade to the facilities currently occupied by our RTLB team and the creation of a modern, vibrant new entrant area in the Te Tipu Suite encompassing rooms 9 and 10 also. These are majorly exciting projects for our school and we cannot wait to get them underway.

TACKLE RUGBY

A notice is going out with regard to Year 3/4 tackle rugby. Mr Dodunski will be running this activity. All students require a mouthguard. It would be appreciated if these could be brought to school. If for any reason you are unable to provide one and you wish your child to play please make contact with Mr Dodunski. Year 5/6 rugby will also take place. Please be aware that tackle rugby will be played.

SCHOLASTIC BOOKFAIR

The best children's books at the best price! The display is set up in the multipurpose room beside the Library, and will be open until 5.00pm tonight and between 8.00 and 9.00am, & 2.30 and 4.00pm tomorrow, Friday.

SOCIAL SOCKS

Social Socks has begun in Rooms 1 and Te Tipu. Please return your permission slips as soon as possible.

Our Kids...

MANAWATU HOCKEY

Manawatu Hockey will be in school every Wednesday and Thursday for the next six weeks. All students, across the school, will be taking part in the skill and game sessions. This is a fantastic initiative from Manawatu Hockey. Check out the photos to the front page.

MATHLETICS RESULTS

Mathletics is now well underway. Just a reminder that Mathletics is accessible from home as well as school. All students, with the exception of our new entrants, have usernames and passwords. Mathletics is designed to meet the needs of each student, individually. A huge congratulations to the following classrooms who are the TOP THREE in terms of certificates gained.

1st Room 4 with 30 certificates

2nd Room 18 with 23 certificates

3rd Rm 19 with 18 certificates

PTA

The Parent-Teacher Association (PTA) is a branch of the school that operates in order to raise much needed funds to support teaching and learning. The group is currently going through a few changes and we are looking for parents to come on board and play a role.

A meeting has been set for Monday 18th May at 7.30pm in the school staffroom. This meeting will be held to discuss generally how a PTA works, identify possible areas for funding, and finally, to assign positions. Please do not think that if you attend this meeting you have to come home with a specific job - it is about getting to know each other and working in the best interests of the school.

NETBALL

The draw for Saturday was sent out on Wednesday. Please ask your child if they have not given it to you. Uniforms have also been issued this week. Feilding Saturday Morning Netball has a Facebook page and the grading draw will be posted on it for the next three weeks. Grading will be happening for three weeks with the competition starting after Queen's Birthday Weekend.

LATENESS

It has come to our attention that a number of students are arriving late to school. It is essential that students are at school and ready to go by the time the 8.50am bell rings. Whilst on some occasions we understand that lateness is unavoidable it does put pressure on them to catch up on their work as important learning opportunities are missed. We thank you for your support in ensuring all our students are at school on time and raring to go.
