LYTTON STREET SCHOOL

REGENT DANCE CHALLENGE - 29TH JULY

WELCOME

A huge welcome back to you all. I hope everyone had a safe and enjoyable winter break. It was a fantastic end to last term with a number of notable achievements that are contained within this newsletter. A warm welcome to Rico, Bella, Payton, Tyssen & Te Atakohu who have started school for the first time. Also, to Siara who has returned to us from Tauranga, and to Hayleigh & Jaydah who have joined us from Takapau. We hope you all have a wonderful time here at Lytton Street. I would like to wish you all a great Term 3 and look forward to sharing in the learning of your children.

RUGBY @ CENTRAL NORMAL SCHOOL

Last term our Lytton Street Year 5 and 6 rugby team competed against Central Normal School in Palmerston North. This was a tough battle for both teams with a fantastic level of rugby on display. This is a fixture that we hope to repeat as soon as possible. At Lytton Street we believe that competition both within school, and out of school, is extremely important for our children. Many thanks to Mr Dodunski for his organisation. He is working on discovering opportunities for our younger students also, so stay tuned (see photos to the right and above).

GANG SHOW

Sophia Duthie also was involved in the Gang Show in Palmerston North. This is a collection of skits and songs from the Guide and Scout groups in the Manawatu area. Sophia (photo to the right) was a stand out performer with her terrific singing skills. Both Ange (Sophia's mum) and Amber (sister) also performed extremely well. Congratulations to you all.

CLEANING

I would like to say a huge thank you to Jenny, our Room 16-20 cleaner, for her wonderful years of service to our school. Jenny completed her job with diligence and care and we are extremely thankful. I would like to wish Jenny all the best for her future. Christi Dixon has been appointed as our new school cleaner and commenced work on Monday.

EXPECTATIONS

At Lytton Street we are extremely proud of the way our students interact with each other and their teachers. Our AROHA philosophy is about showing each other respect and empathy, being a supportive friend. With this in mind our focus this term is on ensuring that the language we use in our conversations with each other is respectful and kind. Please be aware that, at Lytton Street, inappropriate language will not be tolerated. Our approach has been communicated to all children.
