LYTTON STREET SCHOOL

## KIDS 4 KIDS - 3RD AUGUST

### WELCOME

A huge welcome to you all. The Arts are in full swing here at Lytton Street. Next week our choir takes the stage at the Kids 4 Kids concert which is being held at Pascal Street Stadium on Monday night. I would like to wish you all the very best of luck. A warm welcome this week to Seth who has joined us from another school and to Bella who has started school for the first time.

### DANCENZMADE - CHAMPIONS

Our wonderful dance group blitzed the stage at the Regent Theatre in Palmerston North yesterday. They were absolute class. The team won best Year 3-6 group and also best overall group - a fabulous effort. Congratulations to all the kids. A special congratulations to Miss Lincoln and Miss Henderson who have put in an enormous amount of work and expertise. Job well done. The girls will be performing for the whole school next week. A special thank you to Mrs Dobson and Sarah Due who also provided expertise.

### FEILDING INTERMEDIATE

Feilding Intermediate will have their Prospectus available shortly. Parents, Caregivers and their Year 6 children are invited to an Information Evening on Monday 17 August at 6.30pm, in the school hall.

### RUGBY LEAGUE

Fabian (Room 19) travelled to Napier to see St George Illawara Dragons play against Melbourne Storm in the National Rugby League competition at McLean Park. Fabian was lucky enough to be staying at the same hotel as the... Benji Marshall, and even managed to get a picture with him (see right). What an experience! Shame the Dragons couldn't pull off a victory against the Storm though, and also a shame Benji isn't playing for the Warriors!

### SCHOOL ADMINISTRATION

Mrs Wildbore and Mrs Leggett, after over 20 years of service, will be leaving Lytton Street School at the end of this term. Both Mrs Wildbore and Mrs Leggett have overseen huge growth at Lytton Street School in terms of school size and also resources and buildings. Both Mrs Wildbore and Mrs Leggett will be farewelled at the end of the school term. A huge gap will be left with their departure. An advertisement has been included in this newsletter for an Office Executive. This position will fulfil some of the roles previously completed by Mrs Leggett and Mrs Wildbore.

### READERS

Our school is spending a large amount of funds on purchasing replacement school reading books. It is our school policy that every child in the junior and middle school, plus some in the senior school, take home a reader each night. This has allowed us to achieve at a very good level in terms of reading. It would be hugely appreciated if everyone could have a hunt around at home and return any school reading books. This will offset some of the funds we are having to spend. Thanks in advance.

### NEW PARENT PALS MORNING TEA (PTA)

Our New Parent Morning Tea is being held tomorrow in the school staffroom. The event will kick off at 9am. Tea, coffee and slice will be provided. Come along and meet some new people and hear about our wonderful school. All welcome.

## MINECRAFT - ROOM 14

Room 14 have been using Minecraft to create their chocolate paradises. These are then being used as motivation for their writing. Minecraft is a tool, that when used appropriately - and for learning, can enable students to demonstrate their spacial creativity and vision. To the left Renee-Rose shows her strawberry town.

## FEILDING PLAY CENTRE

Some of our super Year 6 leaders have been spending time at the Feilding Playcentre every Friday morning. This is a terrific opportunity for our students to interact with the younger people. The little ones absolutely love their visits. Below Payge shows off her musical talents with one of her little friends. Well done to you all.

## LUNCHTIME SOCCER

Beginning next week Mr D will be running lunchtime soccer games. Students playing will need to bring a change of clothes. Year 5 & 6 rugby will continue at Friday lunchtimes.

- Monday lunchtime: Year 0 - 2 soccer
- Tuesday lunchtime: Year 3 & 4 soccer
- Wednesday lunchtime: Year 5 & 6 soccer
- Friday lunch time: Year 5 & 6 rugby

## EXPECTATIONS

At Lytton Street we are extremely proud of the way our students interact with each other and their teachers. Our AROHA philosophy is about showing each other respect and empathy, being a supportive friend. With this in mind our focus this term is on ensuring that the language we use in our conversations with each other is respectful and kind. Please be aware that, at Lytton Street, inappropriate language will not be tolerated. Our approach has been communicated to all children.

# COMMUNITY NOTICES
