LYTTON STREET SCHOOL

SCHOOL CAMP - 16TH-20TH NOVEMBER

WELCOME

This week we cracked the magnificent 500 student mark. It was certainly celebrated in style with a wonderful cake (thank you Mrs Humphrey) and a team photo - see to the right. 500 students is a terrific achievement and one which is evidence of the huge effort that students and staff are putting in to make Lytton Street School a great place to be. Three of our '500' students - Storm, D-Ziah and Tristan assisted Mrs Humphrey with the cake decoration and also took centre stage in the photos.

DIGI AWARD

The Digi Awards went off with a bang at The Regent Theatre on Monday evening. Lytton Street had a number of finalists - Sophie, Inara and Zoe (see photo on reverse side) who won their category award, Year 4-6: Photo Essay. Our school is immensely proud of both our finalists and our winners on the night. These results set us up for a terrific shot at the awards in 2016. Once again congratulations to our wonderful students and their awesome teachers.

MARKET DAY

The students are currently busy making products to sell at our school Market Day to help them develop their entrepreneurial skills. The Market Day will take place on Thursday 3rd December from 1.45pm until 2.45pm. Flyers will be coming home over the next few weeks to advertise the products and services on offer to our school community. We hope that you can all come along to support this event.

Together, we learn to live and live to learn

COUNTRY KINDY - RIPPA RUGBY

A group of our Rippa Rugby stars headed to the Country Kindy last Friday. The kids taught the kindy children a number of skills and then took part in a range of games - including tractor riding (Nikora - below). Our connections with our local early childhood centres is hugely important in the development of a sense of community.

TEACHING STAFF - 2016

Below is our teaching staff for 2016. We are extremely pleased with the quality of staff we are able to provide for our children. Please be aware that Mr Gilbert Roberts is on leave following his accident so this plan remains in draft form until we have notice of his convalescence.

PLAY CENTRE VISIT

Levi and Maria are busy conducting science experiments with our friends at the Feilding Play Centre. This has been a terrific addition to our school programme this year. Our students are learning organisation skills and also how to teach concepts to other children.

CAMP - YEAR 5/6

School camp is all go for next week. Please ensure your child has a good rest over the weekend and has packed and checked their own gear. It will be an awesome camp and we can't wait to get into it.
