LYTTON STREET SCHOOL

WALKER LEARNING INFO EVENING - TONIGHT

WELCOME

Congratulations to Leigh who started at Lytton Street School for the first time this week. It's great to have you here. This week also houses the last few swimming lessons for our Year 3-6 students. It has been magnificent seeing the improvement in skills over the last couple of weeks. It is our school belief that swimming is an essential skill that kids need to learn. Please feel free to pop into the office if you would like further advice about where your child can continue their swimming coaching - there are a number of options available in our community. A huge thank you to the wonderful parents who have supported coaching during our swimming programme.

WALKER LEARNING - PARENT INFORMATION EVENING

Our Walker Learning Parent Information Evening will take place tonight from 6.30pm-7.30pm. This will be a great opportunity to see the theory behind all the wonderful new learning that your kids are taking part in. Come along and check it out.

T-BALL & SOFTBALL

T-Ball and Softball got underway on Tuesday after school. To the right Alyssa and Charlotte get ready whilst Jayda, below, cracks the softball into the outfield. It was terrific to see Lytton Street well represented. Many thanks to all the coaches who are making Softball possible for our students.

KIDS DANCE CLASSES COMING TO FEILDING

Each Tuesday evening at 6pm - join in the fun and learn the Cha Cha, Samba, Jive, Rock N Roll, plus the Waltz and Foxtrot, as well as some fun change of partner dances. Classes are held at St Marks Methodist Church Hall in Grey Street. First class FREE. Call us now on 021 550622 or just turn up next Tuesday and see what we are all about.

CAMP REMINDERS

We're all excited and ready to go with Room 14 being the first class leaving at 11am on Sunday. Here are a few reminders.

- Please include a container of baking or biscuits as we will be using these for morning/afternoon tea and supper.
- Remember to bring a packed lunch for Day 1.
- Use our equipment list to check that your child has got the correct clothing. Especially raincoat as the current forecast is for wet weather.
- Any specific medication is to be handed to you child's classroom teacher on the morning of camp.

I would like to thank Mr Dodunski and his team of teachers and parents for putting together what will be another fabulous experience for our students. Enjoy yourselves and we look forward to hearing all about it.

SWIMMING SPORTS

Year 3-6 students have Swimming Sports on Friday 11th March

- Year 5/6 - 9:20am - 11:30am
- Year 3/4 - 11:30am - 1:00pm

We are needing some parent volunteers at these events to help with things such as timing and handing out finishing rods. If you are able to help, please leave your name with the School Office and let them know which event you can assist with. Due to the renovations at Makino Pools, there is currently no grandstand for spectators. We will do our best to set up an area where you get a view of the swimmers.

NEWSLETTER EMAIL

This year we are hoping that the majority of our school parents will receive their newsletter via email. Next week will be our first emailed newsletter. Thank you all so much for your support.

RELAY FOR LIFE FUNDRAISER

Cold and sweet treats for sale after school on Monday 29th February on the courts. Help Brianna Dobson fundraise for the Relay for Life.

AWATAPU JUNIOR SWIM CHAMP

A huge congratulations to Brianna Dobson (see photo above right) who has won the Awatapu College Junior Swim Championships. It is always fantastic to hear of our past pupils achieving success at their new schools. If you know of previous Lytton Street School students who have been recognised for significant achievements we are always keen to know.

TEACHERS INTO THE SUMMER SOCCER FINAL

The teachers have had a Summer Soccer team (The Streeters) entered into the local competition this year. Tonight they play in the grand final. Good luck to you all and congratulations on a terrific season.

NEW ENTRANTS - 5 YEAR OLDS

If you have any children, or know of any who are turning 5 this year it would be much appreciated if you could inform the school office. Knowing our enrolments in advance really helps us to plan effectively for the year. Thank you for your support.
