LYTTON STREET SCHOOL

SWIMMING SPORTS - TOMORROW

WELCOME

A huge welcome to you all, especially our terrific Year 5 and 6 classes who have ventured back from camp. What an absolute blast they have had! On the camp agenda was a massive four hour hike, a late night excursion to the glow worm caves, a river study and of course all the fun and excitement that goes with staying over in a lodge. Kids will most certainly remember the glow worms - they were magnificent. This is a unique spot, one that is most definitely worth a family visit. The roof is literally a sparkling mass of light. I would like to finish by thanking our wonderful teachers, support staff and especially Mr Dodunski for his organisation and of course, the over 35 hours of tramping he completed throughout the week. A special mention must also go to our Board of Trustees who believed in this camp, believed in the valuable experiences the outdoors provided and funded the camp so it was free for all our students - we appreciate your support.

A warm welcome to Stacey who has started school for the first time and to Boston, Skaife, Meiah, Jordin, Jordan, Jason-Lee and Oliver who have joined us from other schools.

TAWA SCHOOL VISIT

On Monday the whole Tawa School staff visited our school. This was an immense organisational effort on their part. It also made us feel extremely proud of the classrooms, students, teachers and school that we have created. Tawa School were focusing on our Walker Learning Approach. As you are all becoming aware this places a huge emphasis on students exploring learning according to their passions, and improving valuable social and collaborative skills along the way. Their feedback to our teachers was very impressive. Congratulations to you all.

NEWSLETTER EMAIL

This week is our first week of emailed newsletters. If you requested a paper copy this will come home, all other copies will be sent via email. If you do not receive any email or hard copy please let the office know and we can sort it.

LEARNING CONVERSATIONS

Thank you for the fantastic turn out to our Learning Conversations. It's great to see so many of you. Our school goal is for 100% of our parents to meet with our teachers so if you have not had a Learning Conversation yet teachers will be in touch in the near future. Thank you for your support.

16/06

Thursday 10th March 2016

Together, we learn to live and live to learn
Kia ora kia tahi, kia tahi kia ora

Check out our website - www.lyttonstreet.school.nz

SPORT MANAWATU - RUN, RIDE 'N' SLIDE KIDS TRIATHLON

This event will be held on Thursday 17th March at 5pm at Timona Park. The event costs \$2 per student. You can pre-register with Jessica on 021 765 692.

BEFORE & AFTER SCHOOL CARE FRIDGE FREEZER

If anyone has a second hand fridge freezer that they would like to donate to our Before and After School Care Programme it would be much appreciated. Our current one is slowly coming to an end.

FAREWELL TO TANYA TAYLOR

I would like to say a special farewell to Tanya Taylor who has officially left Lytton Street School to take up a position at Linton. Tanya has been in the office for over three years completing our accounts, payroll and other clerical duties. I would like to thank Tanya for her commitment to our school and also for the happy disposition and easy-going nature she has brought to the role. Tanya will still be involved at Lytton Street in an advisory role (thanks in advance Tanya) and also because her two children attend here. On behalf of the staff, students and community of Lytton Street I would like to wish Tanya all the very best with her new role.

LATENESS TO SCHOOL

It is extremely important that your child arrives on time to school. A lot of important learning and information sharing takes place at the start of the day. We rely on your support in order to provide our children with the best possible start to their learning, each and every day.

SWIMMING SPORTS

Year 5 & 6: 9:20am - 11:30am
Year 3 & 4: 11:30am - 1:00pm

Our Swimming Sports are on tomorrow. The forecast means that students will need to be prepared for changing weather conditions, particularly without a grandstand to shelter in.

Students will need to bring:

Togs, towels, goggles (optional), water bottle, snacks to have throughout the event, sunscreen, school hat, warm clothes to put on between races.

We are still after adult volunteers to help with timing and handing out finishing rods. If you are planning on coming along, we could be asking you to help us out. Please let Mr Dodunski know if you can volunteer your time.

MATHLETICS

Yr 4-6

1st - Room 20 (23 certificates)
2nd - Room 18 (21 certificates)
3rd - Room 21 (19 certificates)

NEW ENTRANTS - 5 YEAR OLDS

If you have any children, or know of any who are turning 5 this year it would be much appreciated if you could inform the school office. Knowing our enrolments in advance really helps us to plan effectively for the year. Thank you for your support.
