LYTTON STREET SCHOOL

PENHEY CUP - MONDAY 21ST MARCH

WELCOME

A huge welcome to our new students this week. Leyton and Breanna have started school for the first time. We hope you have a fantastic time here at Lytton Street School.

EPRO8

Yesterday a collection of our Year 5 and 6 students, and Mr Cole, took part in the EPro8 Challenge held at Feilding Intermediate. The challenge contained a number of technology-related construction activities. These included pulleys, winches, wheels, motors and weights. To the right Monique and Zavier apply the finishing touches to the design whilst using some very stable supports (Shaun and Corbyn).

SWIMMING SPORTS

Swimming Sports were a great success last week. Our kids overcame the cold conditions to show off their skills and compete. A huge thank you to Mr Dodunski for his organisation. The official results have been posted on the reverse side of this newsletter. A special thank you to our parents who supported the day and timed the Championship races. Photos - Quitara and Catelyn to the right and our Year 3s making a big splash at the bottom right.

RIVER STUDY - MANAWATU

Last week a group of students took part in a study of the Manawatu River. The aim was to compare this river with that which they had studied on camp (base of the Ruahine Ranges). They assessed the impact that humans have on our waterways. This study was run by Horizons Regional Council facilitator Helen Thomas.
