LYTTON STREET SCHOOL

## START OF TERM 2 - MONDAY 2ND MAY

### WELCOME

Our school has had a magnificent start to the year. With a vast array of learning experiences our students have once again shown themselves to be extremely creative and versatile learners, keen to explore and drive their learning. As you are all aware our school drive has been on equipping our students with the skills and attitudes to take control of their learning. Independently managing their learning, creating their own timetables, and even teaching each other have been term highlights. The focus will continue on into Term 2. I would like to say a special thank you to our teaching and support staff who have shown themselves, once again, to be extremely dedicated and creative people with all our students' best interests at heart. On that note I would like to wish all our school community a fantastic break and we look forward to seeing you all back for Term 2.

A warm welcome to Mila who started with us this week, we hope you have a fantastic time here at Lytton Street School.

### YEAR 6 LEADERS (PHOTO TO THE RIGHT)

This year we have a group of students in Year 6 who have been specifically chosen to be part of our Leadership Group. The aim of this group is to develop a bunch of students who have the capacity to lead across many different aspects of our school. This leadership may see them assisting their fellow students, arranging school events, and having their say on major school developments such as buildings and gardens. As a teaching staff our aim is to guide our students to successfully take on responsibility school wide. On Monday the Leadership group were tagged to each event during the Inter School Athletics competition. This saw them assisting a member of staff to run the event. Since this event I have heard many positive comments regarding our leaders, especially around their attitude and manner. I would like to say a big thank you to these students, acknowledge their skills and attributes, and the pride we have in them - good job. It is our aim to maintain a Leadership group for the years to come so that students can aspire to fulfil these roles in the future.

### HEALTH & SAFETY

On Monday 4 April, the new Health and Safety at Work Act (2015) came into effect. With this new piece of legislation it is a good time to provide a few reminders of school procedures.

- Signing in at the school office whenever you come to school
- Signing your child out if you are taking them before the end of the school day
  - Following school procedures and staff direction when on site, eg: fire evacuation, lockdown
  - Phoning or emailing to tell us if your child will be absent
  - **Not** using the **staff carpark** as a pick up and drop off

### BOARD OF TRUSTEES ELECTION

If you can be part of a team, ask questions and want to contribute to your school, you can be a trustee. Nominations for the upcoming Board of Trustees elections open early next month. Make a difference, nominate yourself or encourage someone you know to stand for election. Keep an eye on the post for your nomination form and election information!

## INTER SCHOOL ATHLETICS

Our school performed brilliantly at our Inter School Athletics competition, the first for some time. Achieving results across all disciplines shows the all round ability we possess. A real highlight was also winning the Inter School Relay. This title can now be added to the Inter School Swimming Championships too. Fabulous effort to all our kids. See our team photo below.

## INTER SCHOOL ATHLETICS RESULTS

A huge congratulations to the students to the right who achieved places in the individual events. It is great to see we have so many athletes performing well. Below are the overall championship results.

## BREAKFAST CLUB VOLUNTEERS

More volunteers are needed for our breakfast club. This involves being at school at 8.10am and setting up a table and chairs in the hall, being in the hall while students come in and have weetbix for breakfast, then a quick clean up. Please let the office know if you are available for a morning next term. It would be great to have a team of people to share in providing a good start to the day for many of our students.

## SCHOOL SPORT UNIFORMS

Please can all sport uniforms be returned to school as soon as possible. Shirts are currently out for T-Ball, Softball, Ripa Rugby and Athletics.

## PALS SAUSAGE SIZZLE

Our school Sausage Sizzle will take place tomorrow. This will be an awesome finish to our term and a great treat for our kids. Many thanks to our PALS groups.

## NETBALL

Nine NETBALL teams have been finalised and will be issued with their uniform after the holidays. FEES of \$22 are required to be paid at the school office before the first playing Saturday - May 7th. Players will not take the court until their fees are paid. COACHES are needed urgently for DIAMONDS - a Year 5/6 team, plus all three Year 3/4 teams do not have COACHES or UMPIRES. If there are no coaches by the end of Week 1, next term, then teams will need to be withdrawn. Please ask people you know or come and see me to ask what the job requires. I can be contacted at school or by email: [ctrembath@lyttonstreet.school.nz](mailto:ctrembath@lyttonstreet.school.nz)
