LYTTON STREET SCHOOL

TEACHER ONLY DAY - TOMORROW

WELCOME

The Tough Guy and Gal Challenge was held last Friday at the Linton Army Base. This was an amazing event for our kids. We entered over 90 pupils from Year 3 upwards. The event spanned the Linton Golf Course and included a lake crossing, assault course and of course, loads and loads of mud. It is hugely important to involve our kids in opportunities such as this. Opportunities that extend them outside their comfort zones within a safe and well managed environment. The feedback from the kids was terrific. The photo to the right shows some of our students embarking on the lake crossing whilst below, Rachel and Paige pose in front of the start/finish line. Congratulations to all our students who took part.

On that note the weather has now changed with yesterday being the first day of winter. Please ensure your child has appropriate footwear and also warm clothing. It is our aim to keep our kids playing outdoors over winter, but they need to stay warm. Also, if your child is involved in any of the lunchtime sports activities that are being held on the school field it is important for them to have a change of clothes.

A special wintery welcome to Ethan and Kiara who have joined us from Whitiara School in Hamilton. We hope you have a fabulous start at Lytton Street School.

TEACHER ONLY DAY

As you are all aware the Teacher Only Day is taking place tomorrow - Friday 3rd June.

health&safety
at work

Every now and then I shall be sharing information regarding Health and Safety at Lytton Street School. This will keep you informed of procedures at our school and alert you to new seasonal information.

This week's reminders:

- As we see the increase in rain and icy conditions please remember that some surfaces can become slippery, be wary of trips and falls. The decks are the main areas to watch out for. The Board is currently investigating ways to make these areas safer for our community.
- Remember to sign in and out when visiting, picking up your child, dropping off their lunch - basically any time when entering the school grounds during school teaching hours 8.50am-3pm.

SCHOOL DISCO

The school disco is taking place tonight - and what an awesome event this is going to be. Our Year 6 Leadership Group have spent time decorating the hall and it looks an absolute picture. Please ensure your child is escorted into the disco and picked up at the conclusion. No child will be allowed to leave without being accompanied by an adult. Thanks for your support.

DISCO TIMES
Yr 0-2 : 5:30pm - 6:30pm
Yr 3-6 : 7:00pm - 8:30pm

Cost: \$5

MAKINO POOLS

Makino Aquatic Centre is now taking registrations of interest / enrolments for swimming lessons to commence in Term 3. Please email Sue and Vicky at swim.school@mdc.govt.nz and let them know your preference for days/times for your children.

MONMOUTH STREET ENTRANCE

The Monmouth Street entrance to our school is extremely busy at both drop off and pick up times. I would like to appeal to all our parents and caregivers to take extreme care when using this street. There are disability parks set and these must only be used by vehicles displaying the appropriate signage. If your child is not visible it is often best to drive around the block rather than hover outside an exit. For the near future specific areas will be coned off to ensure the safety of our children. I would like to thank you all for your diligence in ensuring that our kids are kept safe.
