LYTTON STREET SCHOOL

## Final Celebration - Thursday 8th December 2016

**WELCOME** - A warm welcome to you all. Summer is finally in the air and kids have been having quality outdoor fun. Chalk drawing seems to be the main phase cruising around the school at the moment, and what fun it is! Jay and Anna are drawing around each other to the right and below, Liam and Sophie have left their outlines.

### SCHOOL HATS

School hats are compulsory this term and kids will not be able to be outside without one. Hats cost \$3.50 from the school office. School hats are part of our school Health & Safety policy - please help us to keep your kids safe in the sun this summer.

### COMMUNITY HEALTH CONSULTATION

Thanks to the many families who have already handed in the health consultation that was sent home last week. We really value your feedback on how the health curriculum is delivered at our school. Community consultation is an important process for us to gain an insight into your views so we would appreciate it if you could take a few minutes to complete the questions. If you require another copy, there are spares in the office.

## QUIZ NIGHT

The PALS Quiz Night held on Saturday was a huge success. Thank you to all those who came along and supported this event. Early indications are that we made approximately \$5000 towards our new bike track. Our special thanks to the following sponsors and donors listed on the reverse side.

I would like to extend a special thanks to our wonderful PALS group who have worked tirelessly over the last few months to arrange an event such as this. We are extremely lucky to have a group, led by Anne Dallas, supporting our school both financially, and as a community. Congratulations to you all - job well done. Check out the photos to the right - our magnificent MC Pā Ronald and images from the night.

### IMPORTANT DATES COMING UP...

- Wednesday 7th December: Parent Helpers' Morning Tea
- Thursday 8th December: Our End of Year Celebration
- Tuesday 13th December: Year 6 Graduation

Please diary in these really important events. We wish as many of our parent community to attend as possible.

## BUILDING

The building upgrade to Rooms 1-4 is now officially underway. This is a construction site so it is essential that everyone stays out of the fenced in area. Heavy machinery and tools will be operating in this area for the foreseeable future. Thank you for your support.

## BEFORE AND AFTER SCHOOL CARE (BAASC) - NOW SKIDS

SKIDS officially took over our BAASC on Monday. Please refer any queries to Sonia on 364 8852 or e-mail [sonia@skids.co.nz](mailto:sonia@skids.co.nz). You can visit their website at [www.skids.co.nz](http://www.skids.co.nz) for more information about their services also.

## MANAWATU DIGI AWARDS

A huge congratulations to Luke Clarges who won his category at the Manawatu Digi Awards on Monday night. Luke was entered into the animation section and was up against some stiff competition. He put together an outstanding piece about a race car that crashed. What made Luke's work especially impressive was the awesome sound track that he chose to go alongside. A huge congratulations to you Luke (see photo right).

Lytton Street PALS would like to thank all our supporters and sponsors

## TRIPLE 'C' NIGHT

Statement 7: *My child is generally happy at school.* 'M'. Yes-Blue; Red-No; Orange-Unsure.

This was a really pleasing section of the consultation. It shows that over 92% of our students are happy and enjoying school. Please let your child's classroom teacher know immediately if for any reason your child is unhappy. Happy kids learn best! Thank you for your support.

Together, we learn to live and live to learn
