LEARNING CONFERENCES - TUESDAY 28TH FEBRUARY & WEDNESDAY 1ST MARCH

WELCOME

Welcome to Week 4. The weather has finally turned the corner and our kids are outside having a blast during their break times. The fine weather makes it especially important that kids take care. Wearing t-shirts and our school hat is essential at this time of the year. School hats are available from the office. A warm welcome to Katie, Rihi Moetu and William who have joined our school this week. Swimming is now well underway too.

TENNIS

Tennis kicked off last week. All our students are receiving lessons provided by our two professional coaches. Lessons are half an hour in duration and take place on our courts. This has been a terrific introduction to the sport and one our kids have enjoyed immensely. The students will have 4 lessons in total. These have been funded entirely by your Board of Trustees.

LEARNING CONFERENCES

A big reminder that Learning Conferences are happening next Tuesday and Wednesday. Please log on and book your appointment time. If you need any further information pop into the school office.

health & safety at work

SAND-PAINTING OUR DECKS

The steps to the entrance of Rooms 16, 17 and 18 have been painted using a sand-based paint. These decks are some of the biggest slip hazards we have here at school. If this paint proves beneficial then it will be applied to our remaining high risk areas.

MONMOUTH STREET GATES

The Monmouth Street gates to school (by Rooms 14 and 16) will be locked in future. This exit point is extremely hard to monitor before school, after school, and during school hours. The exit points still remain - Lytton Street and Monmouth Street by the bus stop. I apologise in advance for any inconvenience this may cause, however, this decision has been made in the interests of the safety of all our children.

SWIMMING

A fantastic start to swimming has taken place this year. The weather has been brilliant. We are most appreciative of the fantastic parents who have volunteered their time to come down and coach our children. If you do have a free minute please pop on down and lend a hand. Year 4-6 are having lessons out in the big pool. The Swim Start programme is being followed. The Year 3 kids are involved in the Swim Safe programme which is run by Makino Pool instructors. This programme focuses on how to be safe in and around water. Life jackets were the name of the game this morning. Swimming will be running for one more week. It will be followed by our School Swimming Sports.

Together, we learn to live and live to learn
