

LYTTON STREET

*Kia ora kia tahi,
kia tahi kia ora*

WEDNESDAY 5TH APRIL - JUNIOR RIPPA RUGBY TOURNAMENT

WELCOME

Uniforms and whether we have one here have always been a topic for discussion and no more so than today. Hoani and Mr Smith are modelling the new look, by absolute consequence. Anyway, jokes aside, next week is going to be very special in the life of Lytton Street. Our school will host the inaugural Walker Learning Study Tour on Tuesday 4th April. This is a New Zealand first and offers educators from around the country the chance to check out our place under the guidance of the Walker Learning facilitator, travelling over from Australia.

WORKING BEE:
SATURDAY 6TH MAY,
1PM-3PM

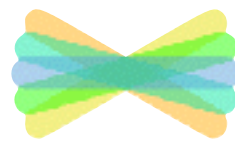

SAVE THE DATE

Our PALS group have organised a terrific Working Bee for Saturday 6th May. It will run from 1pm-3pm. We are asking for as many of our parent community to come along and join the fun - there is plenty to do. It will be short and sweet and we'll even provide a sausage and drink once the hard work is done. So, grab the gardening tools and gloves and head along. See you all there.

SEESAW

Our teachers are currently implementing a system for digital portfolios called SeeSaw. This allows students to document their learning so families can have an immediate and personalised window into their child's day. The aim is to have all classes up and running by the end of this term. It differs from the class Facebook page as this will be a link directly to your child's online learning journal. Look out for the invite to join you child's SeeSaw folder in Term 2.

GARDENS GALORE

So autumn is on the way and our gardens are getting a great spruce up. This will be the main theme come our Working Bee on the 6th May. However, Room 19 have been our investing in our Victoria Cross Monumental garden. This is situated between Rooms 19 and 23.

Under the expert guidance of Whaea Becs Room 19 gave the garden a makeover! (See picture to the left) Kids had a blast with shovels and rakes. The next stage is planting. There are a vast array of plants going in there - all adding beautiful colour to this area. Be sure to pop up to Room 19 to check out their wonderful handy work.

health & safety at work

TRAFFIC SAFETY IN AND AROUND OUR SCHOOL

I recently placed a note in the newsletter about the traffic issues around the school. Further to this a parent group will be established to look into this a bit deeper. In essence though, only

park in designated spaces and avoid hovering close to the school gate regardless of the circumstances. This is extremely dangerous for children crossing the road and cars pulling out of parks. Your support is much appreciated.

DOG SAFETY

It is extremely important, in the interests of the safety of our children, that all dogs are kept off the school grounds. Whilst I understand that the majority of dogs thrive around children, and vice versa, from time to time we are unable to predict the reactions of dogs. It is therefore, essential that dogs remain outside the school gate. If you are have any uncertainty around the reaction of your dog please keep it away from school, or at the very least, muzzled and on a short leash. I thank you for looking after your dogs which in turn ensures our kids are safe and happy.

SCOOTERS/BIKES

The Scooter Shed is open from 8.30am each morning to house scooters and some bikes. This shed will generally be monitored by some our our Year 4-6 students. Once the 8.30am bell goes it is our expectation that all scooters and bikes will be put away. This is an extremely busy time with parents and children coming and going and we want to avoid any accidents.

Civic Junior Badminton Club

Feilding Civic Centre, Aorangi Street
Feilding

Starts Tuesday 28 March 2017
6:00pm to 7:30pm

Come along and play badminton
First night free

Rackets available

YEAR 6 LEADERSHIP GROUP

The following students have been selected for our Year 6 Leadership Group. A huge congratulations to this group of students. Their first assignment will be assisting Mr D and all our other teachers with the school Athletics Days.

Building leadership within our student group is hugely important. Further information will come out shortly regarding their commitments for the rest of the year.

1st: R21-100%; R14-100%
2nd: R12-88%
3rd: R23-80%

GOLD

R3: Bill Baxter
R19: Calla Hosking
R23: Jordan Lilly
R14: Tayla Bailey

PALS

Your parent fundraising group...
