## THURSDAY 28TH SEPTEMBER - TRIPLE 'C' NIGHT

### WELCOME

A warm welcome to Tehokio in Te Tipu 1, Xander and Ashleigh, who have joined us from Pirongia School, Bella from Halcombe School and Aaron, from Tyndale Park Christian School in Auckland. It is really great to have you all here.

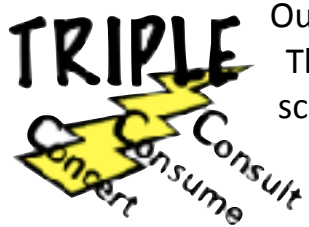

### SCHOOL DISCO

Last week ended with our fantastic disco. This was a huge event with almost 350 children in attendance. Thanks for your awesome support. It was great to see so many original and colourful dress ups. A special thanks to our Year 6 leaders who once again put on a wonderful event.

### NATHAN WALLIS

A reminder that our second parent night is coming up on Tuesday 23rd October with Nathan Wallis. A free bus will be leaving school to provide transport for parents. A letter will be coming home with this newsletter. This is an awesome opportunity so make sure you register. All registrations will be received at the school office.

Our Triple C night is coming up on Thursday 28th September. This will be a fantastic night for our parents to come along to school and see our magnificent students perform (Concert), enjoy a tea, coffee and slice (Consume) and give your feedback on a range of questions about our school (Consult). The evening is planned to be informal and the consultation part will require no writing and will be very quick. The Choir, Kapa Haka and our Rad Rythmn Group will be performing. The evening will kick off at **6.30pm** and last no longer than an hour. It will be great to see you all there. Come along and have your voice in the future direction of our school.

### PERMISSION FORMS

There are plenty of things already being organised for Term 4 and the permission forms for these are due in shortly. Touch rugby forms are due in this Friday and teeball/softball need to be in by next Friday. Please hand these into the office with payment where there are also spare forms if required. ## PARENTING TIPS: #5 - DELAY GRATIFICATION

"I am Hungry!!" "In a sec I will stop at the drive thru" "I am Thirsty!" "Here is a vending machine." "I am bored!" "Use my phone!" The ability to delay gratification is one of the key factors for future success. We have the best intentions — to make our children happy — but unfortunately, we make them happy at the moment but miserable in the long term. To be able to delay gratification means to be able to function under stress. Our children are gradually becoming less equipped to deal with even minor stressors, which eventually become huge obstacles to their success in life. The inability to delay gratification is often seen in classrooms, malls, restaurants, and toy stores the moment the child hears "No" because parents have taught their child's brain to get what it wants right away.

## CROSS COUNTRY

This kicks off at 11:30am tomorrow with the Year 0 race followed by each Year group in order with an approximate finish time of around 1:15pm. The weather forecast does not look great at the moment so please ensure students have warm clothes to wear when they are not running. There might also be muddy patches on the field so a change of clothes will be a good idea. Check out the years, distances and map to the right.

Year	Distance
0	700m
1	900m
2	1.1km
3	1.4km
4	1.7km
5	1.9km
6	2.1km

## YEAR 6 LEADERS' VISIT TO RANFURLY RESIDENTIAL CARE

On Wednesday our Year 6 Leaders visited Ranfurly Care and spent time chatting to the residents. Our leaders shared pieces of writing, speeches, drawings and their ERPs. They even sang a couple of songs for the residents who were all very happy to have our students come to spend time with them.

## LOCK IN THIS DATE: GARAGE SALE, STALLS & HEAPS OF FUN

On Saturday November 25th 2017 our school PALS group are running a Garage Sale with stalls and heaps of fun. Lock in the date. More information, such as how to offload your treasured items for sale, will come out shortly.

## INTERMEDIATE VISITS

Last Tuesday our Year 5 and 6 students visited North Street School to check out their Intermediate programme. Whilst the Year 6s had a tour around the activities on offer the Year 5s took part in sports competitions. This was a neat event.

On Wednesday our Year 6 ventured to Feilding Intermediate to tour the school and then take part in a technology activity. There was a range on offer from textiles, to woodwork to cooking. To the right Lewis is using drill press to make the holes for his game - Tic Tac Toe.

I would like to thank both schools for making our students feel so welcome.
