kia tahi kia ora*

## TONIGHT- TRIPLE 'C' ... FROM 6.30PM

### WELCOME

Well what a tremendously busy time we are having as we head towards the end of term. Coming up tomorrow is the Tough Kids competition in Ohingaiti. This is a terrific event that is a mixture of mud and fitness, and endurance as the kids work their way around a huge paddock. Our kids will have a blast - photos in the first newsletter next term. A warm welcome to Carter and Lucas who have begun in Te Tipu 1 and to Jack Rofe, joining us from Colyton, in Room 14. Great to have you all here and we wish you an awesome time.

### SPEECH COMPETITION

A huge congratulations to all our Year 5/6 students who have written speeches this term. This has been a massive learning process for our kids but it certainly has enabled them to learn some very valuable skills. From each class a few finalists were selected. On Tuesday night these finalists presented as part of our school speech competition. Well done to you all. A special mention to Jasmine (1st place - ringed in red), to Luke (2nd place) and to Blake and Sophie (joint 3rd place).

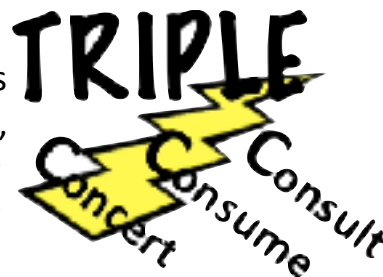

### CROSS COUNTRY

Some sunny weather and a very muddy field combined for the perfect cross country conditions last Friday. The regular training that all students have been doing throughout this term was very evident during the races with many adults commenting on the effort runners were showing. Students enjoyed running through the mud and high fiving the very supportive crowd on their way around the course. The top three place getters can be seen in this table on the back.

### TRIPLE 'C' NIGHT

Our Triple 'C' Night kicks off this evening at 6.30pm. It is an awesome night with a concert, a short consultation, and a chance to 'consume' some great food. Come along and give us your feedback and enjoy listening to our talented kids.

### NATHAN WALLIS

A reminder that our second parent night is coming up on Tuesday 23rd October with Nathan Wallis. A free bus will be leaving school to provide transport for parents. A letter came home last week with the newsletter. All registrations will be received at the school office.

### CERTIFICATES

1st: R19 & R13 - 100%  
2nd: R15 & R12 - 86%

### GOLD AWARDS

R16: Blake Witheford  
R17: Izaya Snook

# health & safety at work

## PARENTING TIPS: #6 - ENDLESS FUN

These parenting hints have been summarised from the work of Victoria Prooday, an Occupational Therapist. She argues that we have created an artificial fun world for our children. It is important to teach your child to do monotonous work from the early years as it is the foundation for future "workability".

- Folding laundry, tidying up toys, hanging clothes, unpacking groceries, setting the table, making lunch, unpacking their lunch box, making their bed are all examples of this type of work.
- Be creative. Initially make it stimulating and fun so that their brain associates it with something positive.

These simple tasks will help train the brain for later tasks in life - that are not overly exciting, all the time. Work!

## CAMP PERMISSION FORMS - YEAR 5/6

Tomorrow is the last day to return all Year 5/6 camp permission forms. Please also register your interest if you wish to come along as parent support.

Place	Boys	Girls
<b>Year 0</b>		
1st	Billy Te Rauna	Jorja Martin
