

# LYTTON STREET SCHOOL

Kia Ora Tatou, Greetings to all our parents and caregivers

## WELCOME

Welcome to Liam who began school for the first time this week.

## FEILDING KINDERGARTEN

Last Friday 9 of our previous Feilding Kindergarten students went back to formally farewell Head Teacher Sue Williamson. Sue has lead Feilding Kindergarten for 21 years. During this time she has had a positive impression on well over 1000 kindy kids, none more so than my own I might add.

Sue is retiring from her role to spend more time with her grand children although she will be in and out as a relief teacher.

On behalf of all our Feilding Kindergarten students I would like to wish Sue the very best for her future and thank her for her commitment to our community.

## WHANAU CONSULTATION

Our Whanau Consultation is taking place on Thursday 18th September at 7pm. This is a wonderful opportunity to come along and share your views on how our school can continue to achieve educational success for our Maori students. Bring your kids along, they will be well looked after by staff. A light supper will also be provided by our PTA.

## 'YUMMY' STICKERS

Please keep collecting these stickers from apples as we are able to redeem these for sports gear. The collection sheets need to be returned to the office by the last week of term. Thanks.

## BREAKFAST CLUB

Our Breakfast Club is running really well and we are very grateful to the parents who help out. We could do with 1 or 2 more helpers, especially for Mondays or another day which suits. Please leave your name with Dianne in the office if you are able to give us about ½ hour from 8.15-8.45, once a week.

## HEALTH & PHYSICAL EDUCATION CONSULTATION

Next week a Health and Physical Education consultation is coming home to families. This is an important piece of feedback for our school as it will help design our future Health and PE Curriculum. The form is largely a tick-box set up, asking parents to identify their favoured areas of focus. There is also ample opportunity to have your say and offer opinion. Every child who brings one back goes in their room's draw to have a yummy lunch with Mrs Rei, Mr Greer and I. Be sure to get your form in!

## PTA NEWS

A big thank you to our PTA parents who put on a wonderful sausage sizzle last Friday. Not only do these events provide amazing lunches they also raise valuable funds for our school. Our parents in action to the right.

The PTA is holding a 'New Parent Morning Tea' on Friday 12th September at 9am. The Morning Tea is for all new parents to our school and any others that would like to come along and have a cuppa and meet some new people. Food and beverage will be provided. An invitation to our Morning Tea will come out shortly and PTA members will follow up parents with a phone call later next week. We look forward to seeing you all there and making some new connections.

## HEADLICE ALERT

It would be much appreciated if parents of Rooms 1, 17, 18 & 19 could check their children's hair this week as we have had several reported cases. Thank you for your support.

## NETBALL

Our Netballers continue to perform really well on the weekend. It is fantastic to see so many of our students involved in Saturday sport. A big thank you to the parents, coaches and referees who make Saturday sport possible. Check out our kids in action to the right.
